

Our Story

Curt's Café was designed to help support underserved young adults as they train and advance in workforce development, take their next steps toward employment and learn the life skills necessary to be successful.

The training and social service support has enabled both our past and present students to advance in their fields and become contributing members of our community.

By placing your catering order with us, you will help enable us to continue to grow and provide the resources we need so future students will be afforded these opportunities.

Curt's promotes learning, ambition, compassion, integrity and respect, and embraces the philosophy of restorative justice in every aspect of our work. Curt's is a 501c3 non-profit organization that is sustained through café and catering sales, generous friends and family, and kindhearted foundations.

We are grateful for your support.

Thank you for "Dining with Purpose"

Curt's Cafe improves outcomes for young adults living in at-risk situations through work and life skills training
